THE FUTURE IN GUN CLEANING / RECYCLING SYSTEMS

The Bonny Marlin Paint Gun Cleaning and Recycling System Includes:

PROGRAM GUIDES

- Environmental Policy Statement
- P² Material/Waste Minimization Plan
- Award Winning Recycling Program

CONTROL PANEL

- air regulator/filter
- air pressure gauge
- 10 ft. coil air line
- 3 ft. air inlet hose
- air gun
- independently operated fluid control valves (4)

WASH BASIN

- gun mounts (2)
- flow-thru wash brush
- cup jet wash
- gun mount fluid deflector
- residue drain restrictor
- drain valve
- hinged lid

COMPONENTS

- double diaphragm air operated pump
- solution filter
- 20 in. filter housing
- pump grounding wire
- station grounding wire

INCLUDED ITEMS:

- Bonny Marlin Solution™
- recycling filter
- solution filters (3)
- cloth towels
- gun cleaning kit
- filter wrench
- office wall plaque

FUNCTIONALITY:

- self-contained gun washer and fluid recycler
- recirculates and filters fluid during use
- zero hazardous waste generation
